Greenbush Middle River School District Serves Breakfast

Greetings from the Greenbush Middle River School District. The Food Service Staff wants to remind you that our district serves healthy nutritious breakfast every morning at school!

Take advantage of this option to ensure your child eats a nutritious breakfast. Recent studies show a link between nutrition and learning. A nutritious breakfast helps students be more alert so they can actively participate in class. Breakfast has vitamins and nutrients for a strong and healthy body.

Breakfast at school is affordable, too. A full breakfast costs less than convenience store items. If you qualify for free and reduced price meals, you also qualify for the breakfast program, with no additional paperwork. If you must pay, you'll find that breakfast often costs less than a dollar. Nowhere else will you find a balanced breakfast at such a low cost.

All Kindergarten Students Eat Breakfast Free

Due to recent legislation, breakfast is FREE to all kindergarten students this year.

Regardless of the age or grade of your child(ren), please consider taking advantage of this opportunity to start the day on the right foot. Your child will find breakfast at school provides not only a nutritious meal but also a relaxed atmosphere for socializing with friends and siblings.

Sincerely,

Thomas A. Jerome, Superintendent
Greenbush Middle River School District
